The Chair to the Banbury Aspirations Campus governors is Rebecca Mileham chairofgovernors@wykhampark-aspirations.org

The Clerk to the Governors for all schools is currently Gemma Weber gweber@wykhampark-aspirations.org

Parents: Have Your Say

Every Aspirations Academy has a Local Advisory Board (LAB) which meets six times a year. One of the objectives of the LAB is to actively seek the views of parents and ensure that these views are considered when planning and reviewing our educational provision.

As part of our strategy to seek parents' views, we have created a feedback form on this website for you to have your say about what is going well and how our academy could improve. The feedback forms will be viewed by parent members of the LAB and your comments will be treated in confidence. Themes arising from feedback will be presented to both the LAB meetings and the District Governing Body meetings where appropriate.

We are working hard to deliver outstanding education for all of our pupils and very much welcome your views. Thank you.

Please support Wykham Park Academy Banbury and “Have Your Say” by filling in our [feedback form](#).
