Miss Sylvia Thomas – Principal of Banbury Aspirations Campus

18 March 2019

Dear Parents/Carers

RE: Yr 11 Preparation for Mock Exams & GCSE Exams

With only 8 weeks before the start of the GCSE exams and 1 week before the mock exams begin I wanted to write to you with useful information that will help you and your child over the coming weeks and months.

Firstly, the mock exams begin on Monday 25th March and end on Friday 5th April. This will be the final opportunity for students to test themselves before the real exams begin on Monday 13th May. There are 2 full weeks of exams and they will be run in exactly the same way as the real GCSE exams in the summer and will give students an idea of what to expect. A generic Timetable for the mock exams can be found on the reverse of this letter and will also appear on the school website.

Students will need to have all the necessary equipment for the mocks and of course, the GCSE Summer exams. All equipment can be purchased from the online shop. Also, if your child still requires any revision guides, these too, can be purchased online by going to <http://banbury.squid-shop.co.uk>.

Revision sessions are still taking place after school and at the weekends. Your child will be informed of when these are taking place. The upcoming weekend sessions are now mostly by invitation only, so if your child is required to attend you will either receive a text and/or a letter informing you of the arrangements.

The Easter Revision School is taking place during the 2nd week of the holiday, 15th-18th April. I will write to you after the mock exams with more details.

I hope that your child makes the most of all the opportunities to attend the extra sessions on offer and I am sure that all their hard work will pay dividends.

Yours faithfully

Jan Hetherington
