

Miss Sylvia Thomas – Principal of Banbury Aspirations Campus

18 July 2019

Dear students

I hope you are enjoying your summer holidays! It was fantastic to see so many of you for the Sixth Form Transition Day back in June. We had some amazing feedback from the teachers and the students. In regard to students who were unable to attend the transition day, your welcome pack has been saved for you and can be collected when you come to the school to enrol. Please see below for the process of enrolment day.

Enrolment day Thursday 22nd August

10.00am - Wykhampark and Space Studio students can collect their GCSE results from the Glass Dining Hall.

10.30am – 1.00pm: Students can come to the Sixth Form common room to enrol with a senior staff member. Please email kwhite@wykhampark-aspirations.org if you are unable to attend within this time frame.

External students, please remember to bring in your GCSE certificates to be photocopied. Also, any outstanding references and attendance reports will need to be brought in to complete the enrolment process.

The first day of Sixth Form is Wednesday 4th September. Students will be expected in for 10.10am. Students are to meet in the buttry (there will be signs around for unfamiliar/unsure students) and you will be taken to your mentor group and given your school timetable. Normal lessons will start period 3 that day.

Have a fantastic summer!

Yours sincerely

Carly Berry
Assistant Principal
Head of Banbury Aspirations Campus Sixth Form
